Re: White Horse Ranch Owners Association Inc.  
Docket No. W-04161A-09-0471  
Compliance Issues

JUL 16 2010

DOCKETED BY

Dear Sir/Madam:

On July 6, 2010 White Horse Ranch Owners' Association (WHROA) received a Notice of Future Compliance from Mr. Brian Bozzo, Manager, Compliance and Enforcement, Utilities Division. That notice indicated that WHROA was required to "file within 30 days of the effective date of this Decision, with the Commission's Docket Control, as a compliance item in this docket, a schedule of its approved rates and charges." The notice indicated a due date of 7/3/2010 for the filing. WHROA has filed a schedule of its approved rates and charges on June 1, 2010 and again on June 14, 2010 and believes it has fully complied with the requirement.

Decision No. 71712 requires WHROA to "file within 45 days of the effective date of this Decision, with the Commission's Docket Control, as a compliance item in this docket, documentation that the Company has installed or updated an "information" sign at the facility site." WHROA is in the process of procuring and installing new signs for each of its facility sites that comply with the requirements of Decision No. 71712. WHROA has been delayed in completing the procurement and installation of the new signs due to various circumstances including the hospitalization of the Board Member coordinating the effort to procure and install the signs.

WHROA expects to complete the installation of the facility signs next week and file the required documentation by July 23, 2010. Accordingly, WHROA is requesting an extension until July 23, 2010 to file, with the Commission's Docket Control, as a compliance item in this docket, documentation that the Company has installed or updated an "information" sign at the facility site.
